"MBC WALKS WITH GOD."

MBC WALKS

God's Word is read by Phil and Maggie to strengthen their spiritual growth.

With a realization that we can do nothing without Christ in our lives, we as students feel that we must seek a closer walk with God.

Even though we are studying the life of the Master, unless we have a personal relationship and spiritual life in Christ, we have gained nothing.

Prayer is essential to every Christians' life, and MBC students communicate with God daily. The students academic day is begun by a short devotion and prayer in a large friendship circle in the lounge. There is a prayer Room at MBC where students and faculty may draw apart from other cares and troubles to seek their God in secret. They find that spending silent moments with the Lord strengthens their faith.

The Danforth Chapel at Kansas State provides the students with additional opportunities for devotional life and private meditation.

The Christian students experience the reality of God's love when they participate in dorm devotions at the close of each day.

"For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened." Luke 11:10

WITH GOD

Classes at MBC are always opened with a word of prayer.

"The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest." Luke 10:2

The MABICO Staff bows in prayer before they begin their evening work.

PRAYER

"Giving thanks always for all things." Ephesians 5:20

The Crusader basketball team ask the Lord for guidance and protection as they enter into Christian competition.

Students strengthen their faith with quiet meditation and silent prayer at the Danforth Chapel.

Lives are enriched through prayer in a friendship circle at the beginning of the day.

Students find a closer walk with their Savior as they open their hearts to Him at the close of a day.

CHANGES THINGS

"Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them." Mark 11:24

"Ye shall seek me, and find me, when ye shall search for me with all your heart." Jeremiah 29:13

"Study to show thyself approved unto God . . . " II Timothy 2:15

MBC

"These past forty years..."Manhattan Bible College has been striving to serve the Lord by preparing Christian leaders for work in His kingdom who will be loyal to Christ and to His church. Manhattan Bible College seeks to be Christian in the fullest meaning of the term. The college believes that the final authoritative statement of the Christian Religion is in the New Testament.

The college was founded in 1927 by Dr. Eugene C. Sanderson, President of Eugene Bible University. The school became independent of Eugene Bible University in 1929, when T.H. Johnson assumed the presidency. Dr. Johnson served the school as president for thirty-seven years.

Students find time for relaxation as well as for study. What makes MBC such a wonderful school is that Christ is an ever present reality in the lives of these students whether they are working, playing, studying, or praying.

These past forty years, MBC has been going forward with the Lord. To help us advance even further as servants of Christ, has come Dr. Stanley Letcher, to be one of the MBC family. He is seen talking to Mrs. White and Richard Achenbach.

WALKS WITH GOD

Mr. Burgess and Dr. Thurston, consecutive presidents, served until 1955, when Wilford F. Lown was called to the presidency.

President Lown, with the assistance of a dedicated faculty and the loyal support of Christian trustees, has led the college to a new height of Christian leadership.

Manhattan Bible College considers the world as her field of conquest. Her task will not be completed until all people everywhere come to know Jesus Christ as Lord and Savior.

President Lown is an outstanding Christian, and because of his dedication to Christ, MBC has been richly blessed.

TIMOTHIES SERVE

From a student's standpoint the area of student ministries serves a two-fold purpose. It provides practice for the ministerial student. It allows him to take the theories presented during the week and put them to the test. The discussions of the classroom and the lessons of the text book are taken and put to effective use by the student ministers. The student minister learns how to meet various situations and thus gains first hand knowledge of the needs of the church today.

It gives the student the opportunity to labor and work for Christ. This is the ultimate goal: complete service in the vineyards of the Lord. The command is to go preach and teach; the student minister is fulfilling that command.

"Therefore we are buried with him by baptism into death, that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life." (Rom. 6: 3,4)

The gospel is a joyful message to old and young alike. Larry Frew visits with Mrs. Thompson, a faithful member of the White City Christian Church.

CHRIST

Study is an important task of a minister. Here Roy Cronk prepares a sermon for the church at Osage City.

Charles Cayton breaks the bread of life with his congregation at Elms Dale.

Tom Hawks and Larry Frew, two student ministers, discuss "business" after the Spring Banquet.

Ray Stites enjoys his service for the Lord at Barns, Kansas.

CHRISTIAN EDUCATION WORKERS

Terry Neidens serves as associate minister at Marysville.

The Bible instruction of its members is an important aspect of the church's program. Many MBC students work each weekend in surrounding towns in order to help others come to know Christ and enjoy the full benefits of a Christ-filled life.

Being music director at Wamego keeps Carol Allison quite busy.

Diane Lynde works with beginner, primary, and junior age children at Fort Riley each week.

Ann Smith and Diane Lynde enjoyed helping with Children's convention at the NACC in Louisville during the summer of '66.

Christian Education is an important facet of evangelism. Dean Meyers, Junction City, enjoys this work very much.

GOSPEL TEAMS

Again this year the organized gospel teams represented Manhattan Bible College in the churches of the area, providing leadership in music, preaching, Bible School teaching and generally giving church members insight into the kind of students attending the school. Under the student leadership of Roy Cronk, gospel teams were sent out nearly every week-end, and many times several were serving on the same week-end. Each team had a faculty or staff sponsor, and provided opportunity for student experience in Christian service as well as leadership for constituent churches.

Mr. Secrest enjoys his students, especially when all are having fun on tour.

"Meet Manhattan Parties" give us the opportunity to talk to high school students about the college and to help them in considering Bible College.

Gospel teams accompanied our missionaries each night to various churches during Mission Emphasis week.

Song leading is a talent Spense Moore likes to share with others.

The Mabicoeds sang at an Alumni party during the North American Christian Convention in 1966.

Janice Atkinson and Patsy Green traveled nearly every weekend as part of a gospel team.

Students sang at the IOOF Old Folks home during the Christmas season.

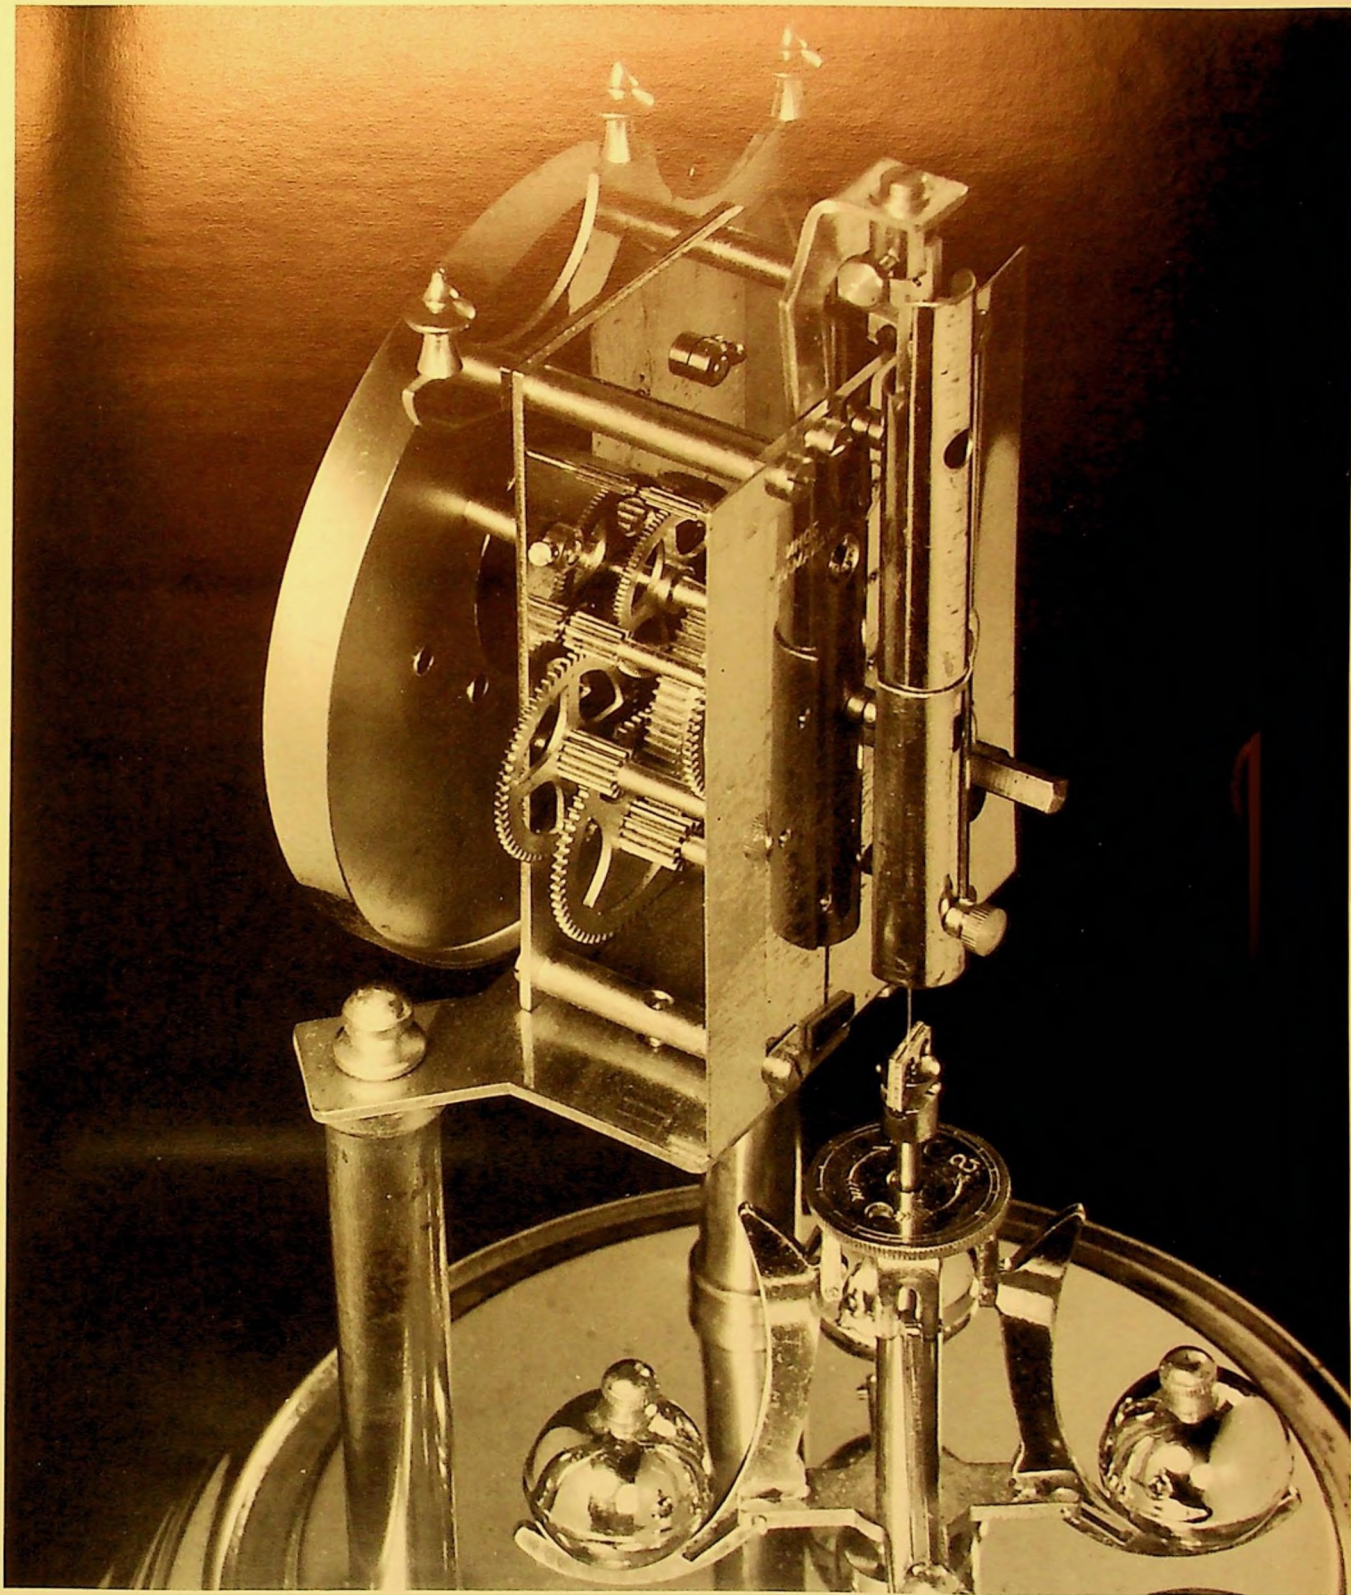

A gospel team went to Denver during the school year.

During Missions Emphasis Week gospel teams traveled with the missionaries.

The Mabico Singers performed at King Solomon Camp during the camp-planning session.

MBC WALKS WITH MAN."

MUSIC

The music department exists to provide a dual ministry at MBC--a primary ministry to the students, and a secondary one to the churches. Within the college an effort is provided to make available membership in a performing group for those students whose interests and abilities include music. A four-year course of study is offered preparing young musicians to serve Christ through sacred music. Emphasis is given to performance and musicianship as well as to methods and organization of church music programs. Soundly based on Biblical foundations, this program helps MBC "sing out" the glories of a life of service to Christ.

The Mabico Singers are a select group of mixed voices first organized in 1962, which have since provided a tremendous impact in schools and churches of the area. This year a planned tour of Colorado churches failed to materialize due to an un-scheduled blizzard during the Christmas vacation; but a second tour in April was the highlight of the year for this group. Included in the April tour were schools and churches of Northwest Kansas.

The Crusader Choir has made a definite contribution to the school through its performances at various functions. Included were performances at MBC Day, the Christmas Concert, the Preaching Convention, the Easter Concert and several performances at chapel. The group also served as a laboratory group for student conductors, and provided an opportunity for many students to express themselves through choral music. The beautiful choir robes used by this group have been "set off" by new stoles this year, a gift of Sundouli.

The MBC Wind Ensemble was organized this year by Prof. Secrest, and contributed in many ways to the well-being and enthusiasm of the school. A pep band played at home basketball games, and the group as a whole played for the Christmas and Easter musicals. Extensive growth in the membership of this group is anticipated in coming years.

Mrs. Robert Litke practices choral conducting at a chapel service.

Miss Allison and Mr. Howard often play the musical instruments at chapel functions.

Joseph L. Secrest is a graduate in music of Bethany College, Lindsborg, and of the University of Colorado, Boulder, Colorado. Professor Secrest has headed the music department for three years. Coming to MBC after 14 years teaching experience in the public schools of Kansas, he has developed outstanding choral groups in addition to teaching classwork in the field of music.

Joyce McCready is a 1966 graduate in music education from Kansas State University. Mrs. McCready has this year served as Instructor in Music at MBC. She has taught classes in Fundamentals of Music and Song Leading, and given applied music instruction in voice and piano. An accomplished performer in both voice and piano, she has been a fine influence and addition to our faculty.

Miss Stanfield enjoys playing the piano on gospel teams.

SMALL MUSIC ENSEMBLES

The MBC Mixed Quartet better known as "Phil's Quartet", was made up of Marilynne Stanfield, Brenda Waltz, Phil Hoyle, and Bob George. All except Marilynne are from the Clay Center church, and had functioned as a quartet prior to coming to MBC.

Small Music Ensembles provide a service to churches, many times in relation to the activities of the gospel teams. Four groups provided most of the activity in this area, as follows:

Ann Smith, June Holsington, and Susie Thompson were members of the Keynotes. In addition to chapel appearances, the group traveled to Willis and other churches in the area.

The Beacons were a group made of Norma Thurston, Denita Beaty, and Glennie Baker. Organized last year, the group reorganized second semester to provide a valuable service to churches and to the school. Highlights were a trip to Dewey, Oklahoma, and to various of the MBC Rallies over the state.

The Messengers Trio, made up entirely of Freshmen women, traveled extensively during the school year. The members were Nancy Kelley, Patsy Green, and Janice Atkinson. The highlight of the year for this group came at the MBC Rally at Hill City.

CHAPEL

One of the highlights of the year was the visit and performance of Wesley Tuttle, former T.V. performer who has now dedicated his talents to Christ.

The Mabico Singers performed at graduation at the First Christian Church.

The Junior Recital of Miss Allison also involved Miss Stanfield, Mrs. McCreedy, Miss Green, and Miss Lynde.

Another highlight of the school year was the performance of Mr. and Mrs. Craft from Norton, Kansas.

BASKETBALL ENDS WITH 9-7 RECORD

Coach Cayton gives final instructions to his team as they play their best for the school.

This year's Crusaders finished the season with a 9 won 7 lost record. Basketball is a very important extracurricular activity at MBC. Besides keeping the boys physically fit, it teaches them valuable lessons in sportsmanship and fair play. They learn how to accept victory humbly and suffer defeat gracefully. They learn how to work together as a team and how to accept new ideas and opinions different from their own. Many of the attitudes and opinions formed on the court will carry over into everyday life.

Whether on the court or in the stands, MBC supporters notice these positive virtues and cheer the Crusaders on to victory--both at the ballgame and in the life ahead.

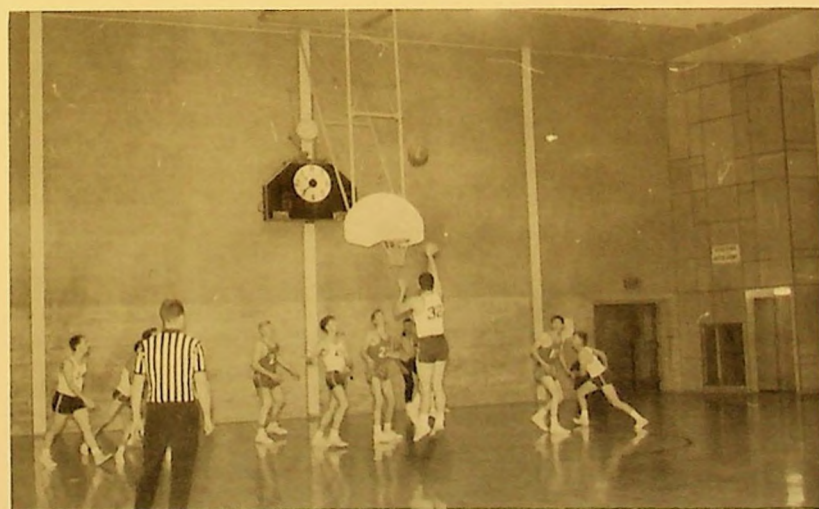

Charles Cayton joined the MBC faculty this year. He is a student at MBC where he is preparing for the ministry. His Christian leadership was very much appreciated by the basketball team and the students.

Steve Edwards, center, makes another one of his needed jump shots. Steve was a valuable player to the MBC Crusaders.

Steve Edwards tangles for the ball in mid-air as Clark Tanner and Don Wilson prepare to come to his aid.

Norman Kidd, guard, scored two points to help toward a victory over Calvary Baptist.

Putt-Putt is lots of fun, especially when you get a hole-in-one!

Baseball is a game enjoyed by many of the men.

KSU provides tennis courts for any who wish to play on them.

BOYS PLAY BALL

Gym taught by Coach Cayton is a well attended class. In addition to pingpong, baseball, bowling, and tumbling, students participate in golf, track, swimming, and various other activities offered on the K-State campus.

Of course pingpong is a favorite year-round sport, and lots of fun.

Miss Lamb and Mr. Towne ping away an afternoon in Miltonvale.

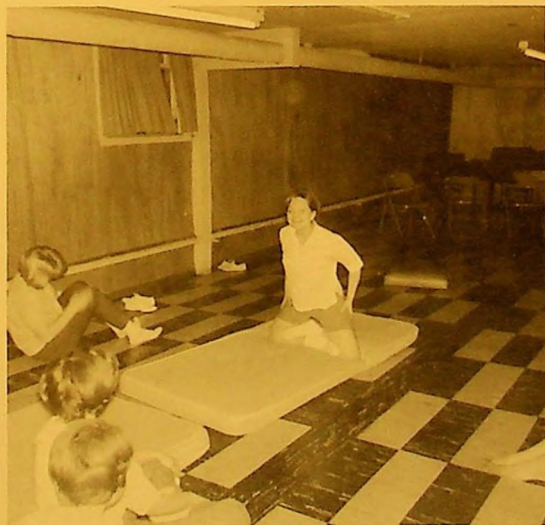

GIRLS LIKE GYM

Hey girls, every one smile. You've just had your picture taken!

Oh, Barbie, doesn't that hurt!

Girl's gym is also a favorite class, especially for the freshmen. The spiritual life and studies are important, but so is the exercise of the body. Gym provides the students with a time of relaxation from the busy facets of the school day.

Coach Cayton has a lot of fun bowling with the girls in gym.

Come on Stella, knock um all down!

ALPHA BETA CHI

Prof. Morgan chats with missionary Gene Dulin.

Prof. Stanke, dean of students also sponsored ABX.

ABX activities are planned each year by a special committee chosen from interested students. This year's committee was especially dedicated and effective in emphasizing missions at MBC. Only when we carry out our vision of seeing Christ taken to all nations have we fully realized our goal.

MISSIONS AT MBC

Alpha Beta Chi is the mission organization on campus made up of students interested in missions and home benevolence groups.

ABX sponsors the Campus Revival held each year in February, Mission Emphasis week in April, services each Friday at IOOF Old Folks Home, monthly chapel offerings, and the spring and fall orientation and planning sessions. At the head of this list of outreach programs MBC held this year a Faith Promise Campaign. Our promises to God are used to help ten missionary families on the field as they take Christ to the unconverted everywhere.

Committee members were Ann Smith, Beverly Boxum, Richard Achenbach, Diana Lynde, and Linda Lesh, not pictured.

WITNESSING TO THE WORLD THROUGH..... FAITH PROMISE PROGRAM

This year ABX instigated a faith promise program to further concern and support for missions among students and faculty. This one week of preaching was a challenge to all; and this year, MBC once again marches forward with the Lord.

Our promise to God for the year amounted to \$14,542.50. This not only enabled MBC to help foreign missionaries, but also strengthened our own faith in God, as we rely on him totally to provide this money.

Wayne Shaw from Lincoln Christian College led us during our Campus Revival Week--a much appreciated and enjoyed week of preaching.

Erskine Skates of Albuquerque helped instigate our faith promise program. After a week of excellent preaching and prayer, students and faculty made their promises--each a personal commitment to help carry on his work.

CAMPUS REVIVAL

Campus Revival is held in February just when students need an extra spiritual boost to carry them through the hard days ahead.

Jim Truax chats with Wayne during one of his less busy moments.

MISSION EMPHASIS WEEK

The mission of MBC is to preach Christ to the world. Each year, a special week is set aside to emphasize work done by missionaries and to challenge the youth with the world-wide vision of evangelism.

In the evenings teams visit surrounding churches to share the saving knowledge of Christ through the messages of these dedicated Christian men.

Our missionaries were Great! What a marvelous week of Christian fellowship and edification we experienced. Left to right, front row are Harold Sims, Tokyo, Japan now teaching in CBS; Freeman Bump of El Paso, Texas working in radio evangelism; and Ray Giles recruit to Ethiopia. Back row are Richard Bourne with new Church evangelism in Connecticut; and Gene Dulin of Toronto, Canada.

IOOF

MBC students conduct worship services at the IOFF Old Folks Home each Friday evening. Singing, a message, and a communion service make each evening very inspirational for all.

"I want to tell you young men how much we enjoyed having you visit us while you were at MBC."

Caroling at Christmas was inspirational to both IOOF residents and MBC students.

Christ is Lord of all.

ABX ORIENTATION

Supporting this mission orientation program are the students, faculty, and concerned Christians.

We had a good orientation and planning session in which we discussed the projects and programs for the year. Twenty-four students enjoyed the day.

What would be an ABX meeting without our industrious sponsors! Here we see them thinking about our great mission--to help take Christ to the world.

MISSIONARY RECRUITS AND FOREIGN STUDENT 1966-67

Richard Hicks, 1966 graduate is now working on his Masters degree in Sociology from Kansas State University. His wife, also an MBC graduate, presently is employed at the Junior High School. When Richard completes his schooling, IT'S OFF TO BRAZIL THEY GO!

"O, no! ya estan hablando en Espanol otra vez."
(In English) Oh no! They are speaking Spanish again!
Freeman Bump enjoys chatting with Maria Costilla in her own tongue.

Maria is a graduate of Collegio Biblico in Eagle Pass, Texas. She is majoring in missions and intends to return home to work with her own people after her graduation from MBC.

SUNDOLAI

Quiet moments with God are an important part of each meeting

Sundoulai is a Greek word meaning "fellow servant." It is an organization for all women. Since its beginning Sundoulai has been one of the outstanding activities for women in our college. The programs emphasized personal development; the projects included such activities as residence hall door lettering, supporting missions in Mexico, and purchasing stoles for the choir robes. The sponsors for the 66-67 school year were Mrs. Jamie Morgan, Mrs. Arthur Edwards, and Mrs. Bill Lown, honorary sponsor.

Um-m-m good, remarks Linda Dorrell as she sneaks a sip of punch!

Officers were Glennie Baker, Publicity; Maggie Eberly, Secretary; Donita Beaty, Vice-President; Casey Hawks, President; and Merilyn Stites, Treasurer.

SOCIETY OR CHRISTIAN WOMEN

Yes, you can arrange flowers. Here, let me show you how.

Golly, Casey always looks pretty.

Color coordinates provide a practical, yet economical wardrobe for the modern Miss.

CRUSADER FANS LEND

Every game is opened with a word of prayer.

The cheerleaders also bow their heads before the game begins.

School enthusiasm can readily be seen in the Pep Club of Manhattan Bible College. This Pep Club is a vital part of the Crusaders basketball team. Shouts of joy, excitement, and encouragement go out to the players as they do their best for their Alma Mater. Prevalent in the Crusaders enthusiastic attitude is the spirit of good Christian sportsmanship. Whether in the opening prayer or in the stands or on the floor, the Christ-like spirit prevails.

The pep band, a new member of the MBC family, backs the Crusaders at each home game.

SUPPORT AND ENTHUSIASM

Officers for the year were Karla Beaty, Treasurer; Barb Sandborn, Secretary; Janice Atkinson, President; and Myrna Vance, Publicity.

"Hey, I made it!" Exclaims Annie McAtee.

My, being Pep Club Sponsor was fun! remarks Miss Lamb.

"Two bits, four bits" Bart and Gary display their school spirit in a skit at a pep rally.

"We're the Crusaders, couldn't be prouder," is the cry of Barbie Ross, freshman cheerleader.

The cheerleaders work hard during a game.

STU-CO

'66-67

The Student Council at MBC is an active, busy, and dedicated group of people. Because of this organization, other students can make their suggestions and requests known, and StuCo can do something about them to help the school.

This year StuCo, as some of her projects, purchased more equipment to be used with the projector; purchased black shades for the third story classrooms so they can be used for viewing projected visual aids; participated in the Red Cross Blood Donor's program, sponsored two all-school parties, and sent five representatives to Norfolk, Nebraska for a Regional Bible College Conference which culminated in a Christian Service Committee being organized on campus to work towards a better service policy.

Officers were Richard Achenbaugh, Vice-Pres.; Dean Meyers, President; and Terry Neidens, Sec.-Tres.

Meeting nights are packed with fun, but StuCo still gets a lot done.

Clarence Stanke was this year's busy sponsor.

Donita Beaty and Beverly Boxum report on the StuCo Convention and its significance to the students and their service for Christ.

The Studnet Council of 1966-1967, as one of its projects, participated in a Student Council Convention held at Nebraska Christian College on March 13, 14, and 15. Through this convention, Manhattan Bible College sought to better its relations with sister Bible Colleges, to better understand its own purposes and potential, and to improve its own program. The MBC Student Council has taken a big step forward into the future by seeking new ideas and applying them to our own individual situation.

Campaigning for StuCo offices is lots of fun, think Tom Hawks and Ann McAtee.

The students learned how to improve the Christian Service program, produce better relations with other schools, and build a more enthusiastic attitude among the MBC students.

As a consequence of this particular convention and home activities, StuCo has learned that a strong Student Council can do much for its students, for Manhattan Bible College, and for Christ's kingdom here on earth.

What's this? Oh, the Stu-Co's all-school party, "King of the Road." What fun!

MBC DAY 1966

CHRIST, WE DO ALL ADORE THEE

We're so glad you came!

Dean Meyers MC, and Carol Allison, pianist, congratulate the honored guest speaker, Alumnus Leonard Wymore.

Leonard Wymore enjoys hearing Glenn Cunningham relate his experiences with the youth at his ranch.

Manhattan Bible College Day is an annual event in the life of MBC. This day reveals the Christian boy that is present every day on campus.

High school students are the honored guests who participate in the activities prepared for them by the students of MBC.

MBC's entire student body worked diligently to make this day a long remembered one in the hearts of those who attended.

Leonard Wymore and Glenn Cunningham inspired each individual to renew his Christian faith.

Omnibus Hour was an afternoon spent in fun and fellowship. Talents, tricks, and tunes livened the Hour.

Mrs. Chris Hamon, faculty, and Richard Achenbach student, were the directors of 1966 MBC Day.

The tuneful Mabico Singers thrill the hearts of guests with selections for Omnibus Hour.

Chris Hamon says, "Thanks Kids, You're appreciated too!"

I had a good time too! Can't wait till I can tell the other kids.

ATHERN LECTURESHIP 1966

Wouldn't you know it! Our President loves to chat with MBC alumni.

Homecoming candidates looked lovely the night of the big game. Virginia Demler and Ann McAtee were attendants. Donita Beaty was crowned queen.

Students welcome Dr. and Mrs. Cottrell after a challenging message. "What a wonderful Christian couple," many students were heard to exclaim!

The Athern lectureship was founded in 19 by the faculty, and named in honor of the late Dr. Athern, christian educator. Since that time it has become an increasingly important week in the school year.

MBC students, faculty, and friends who attended the lectureship received a fresh look at the essence of Christianity through the eyes of Dr. M. F. Cottrell, psychiatrist and director of Life Center, Denver, Colorado. Those attending were challenged to see the church and the restoration movement in the way it was seen by its founders. The relevance of "Dr. C's" messages and the value of his insights were a real help and inspiration to the students and faculty of MBC.

PREACHING CONVENTION 1967

Myron Taylor, truly a man of God, challenged each Christian to walk closer with his Lord and Saviour.

The MBC Preaching Convention in honor of the late Dr. T. H. Johnson is the highlight for alumni in the school year. Interest in the convention has grown among students, faculty, and Christians in the area who love gospel preaching.

This year's theme "The New Life in Christ" was effectively presented in four lectures by Myron Taylor, minister of the East Point Christian Church, East Point, Georgia. Other messages during the convention were brought by Lloyd Tayler and Robert Moorehead. Mansoo Lee of Korean Christian College, Korea, challenged Americans to more interest in foreign missions at the ABX's missions banquet. President W. F. Lown and Dean A. B. Edwards spoke at the Preachers' Breakfasts.

Mansoo Lee stresses the importance of life that is loved in Harmony with Jesus.

A tea was held in honor of Mrs. Johnson during the lectureship. It is a privilege to be able to honor such a fine Christian woman.

MBC PROMOTES ENTHUSIASM

Happiness is MBC.

Enthusiasm for their Lord, for their school, and for the work the school is doing for His kingdom is an ever present factor in the lives of the MBC family. This year a special steering committee was selected to promote school spirit. As part of their plans, a special town meeting was held which pointed out to students just how lively the school really is. Suspense filled the air during the town meeting as Tom and Casey Hawks came sauntering down the aisle discussing the hardships of Charlie Brown. "Everyone wants to be on a winning team," remarked Casey. "Well we are," replied Tom. "MBC certainly is striving to be that team!"

"Yea MBC!" Boomed enthusiastic fans. Soon the entire room was resounding echos of excited students as they expressed their thrill of being a member of the MBC family.

"Give up, what do you mean? I'm on the winning team."

"Yea Team!"

WINTER WONDERLAND

No college is complete without its moments of enchantment and fun. The Winter Wonderland Banquet provided this moment to remember.

The girls' dorm was in charge of this gala event. Entertainment was provided by the Mabico-Eds, Messengers, Phil Hoyle, Annie McAtee and Dr. Van Buren.

Girls' Dorm President, Donita Beaty, welcomes all to the banquet.

"Come along with us to the Winter Wonderland," invites Marilyn Seacat and Tari Chaney.

MBC banquets are always fun!

ROMAN HOLIDAY

Seniors were honored guests. Here we see President Steve Edwards and his date, A.J. Baker.

Whoops, we caught the Junior Class President, Tom Hawks, by surprise.

The Senior soliloquizes written by Dr. Van Buran are an anticipated event of each spring banquet.

The big social event of the spring-if not of the year-was the Spring Banquet. This event provided the Juniors an opportunity to bid the seniors an elegant farewell.

As the magic evening dawned, the scene opened in Rome, and all were led into a magical evening as they participated in a Roman Holiday of fun.

V-A-C-A-T-I-O-N, We're Gonna Have a Ball!

How happy everyone was now that each had just been on a Roman Holiday.

"MBC INCREASES IN WISDOM."

"MBC WALKS FORWARD"

A LOYAL SERVANT

President Lown and Mrs. Johnson were honored at the T.H. Johnson Lectureship.

"But a woman that feareth the Lord, she shall be praised. Give her the fruit of her hands; and let her own works praise her in the gates." We dedicate the "Mabico" to Mrs. T.H. Johnson, a fine Christian woman, who has been with Manhattan Bible College these past forty years.

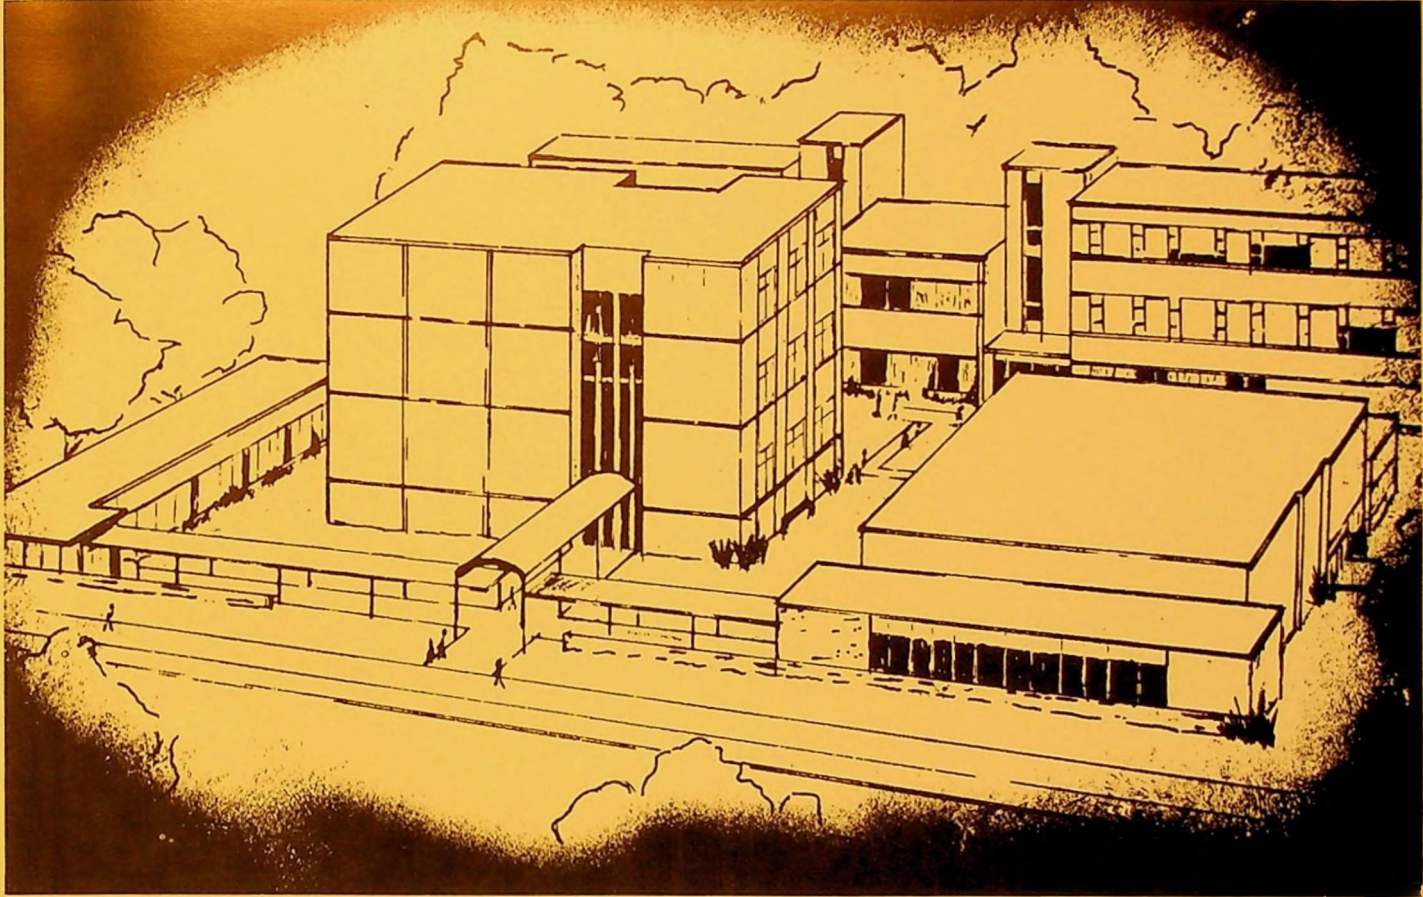

Dr. and Mrs. Johnson worked together laying a firm foundation for the college. Much of Mrs. Johnson's work has been behind the scenes, but she has provided active leadership in various organizations. She enjoys working with women of MBC. Soundoulai, a woman's organization, was guided by Mrs. Johnson for many years and is still an active group in the social life of the school.

We are grateful to Mrs. Johnson for her dedication to the Lord and for her many years of service to Manhattan Bible College.

Mr. Johnson serves MBC students at the tea held in her honor during the Johnson Lectureship.

AN EMERGING DREAM

Manhattan Bible College has just undergone a study in depth by a team of institutional consultants, giving the college current information concerning itself and its consistency. This information will provide a firm base for updating long range planning for the institution.

The acquisition of additional strategic land contiguous with the present campus during the academic year of 1966-67, will have the effect of unifying the central academic

campus, and making future building plans possible.

Several things join together to make the future of MBC appear very bright; increasing enthusiasm on the part of churches in the area, increasing number of young people in the area who are looking to MBC as "their school" for the future, the addition to the college staff and faculty of competent, committed laborers, and other equally exciting circumstances.

BEST WISHES TO THE GRADUATES

AND STUDENTS OF MBC

GREETINGS FROM

RIVERLAWN CHRISTIAN CHURCH

2535 Amidon,
Wichita, Kansas

James K. Rutherford
Minister

Riverlawn Christian Church is vitally interested in the education, training and preparation of young men and women for the service of Christ and the Church. We believe that He alone is worth of

our best and that His Word is the only thing really worth preaching. We pray that the school, the students and the churches, will give their best to this great task.

Glen Elder Christian Church
